3. WHY IS THIS FUNDING NEEDED? PROVIDE AN EXPLANATION FOR ITEMS CHECKED IN #2. INCLUDE THE FEDERAL OR STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS PROGRAM.

This item requests an additional FTE and PS funding to assist with complying with RSMO 660.620, which directs the Lt. Governor to establish an "Office of Advocacy and Assistance for Senior Citizens" within the LGO. Per statute, a senior citizen advocate within the LGO will coordinate activities with the long-term care ombudsman program to help resolve complaints made by senior citizens residing in long-term care facilities. The senior citizen advocate will also conduct investigations into complaints and make reports and recommendations to state agencies, the Governor and the General Assembly as needed. The senior citizen advocate will act as a clearinghouse for information pertaining to senior citizens, in conjunction with the Department of Health and Senior Services. \$80,000 PS was cut from the Lt. Governor's core budget in FY26. This NDI includes restoration of that core personal services funding, which is needed to fully staff the office.

2 I ORE DESI RNPTMOA

Under DED's reorganization this funding was transferred to the Office of Lieutenant Governor. This core decision item establishes the spending authority for the Missouri Arts Council (MAC). MAC funds quality arts programming that addresses MAC's strategic goals of engaging people in meaningful arts experiences, growing Missouri's economy with the arts, and strengthening Missouri's education using the arts. RSMo 143.183 states that 60% of the estimated collection of the Non-resident Professional Athletes' and Entertainers' (A&E) Income Tax is to be transferred to the MAC Trust Fund. In FY19 the tax generated over \$35 million. MAC Trust Fund has never received the full 60% portion the legislation provides, which would be approximately \$21 million annually. MAC provides matching grants to Missouri nonprofit, tax-exempt organizations doubling the impact of state funds. MAC provides accountability and oversight for the distribution of federal and trust funds in support of the arts statewide to over 600 Missouri tax-exempt, non-profit organizations in 162 communities. Every Missouri Senate district and 97% of the House districts receive programs funded from the MAC Trust Fund and Federal monies. MAC provides matching grants to Missouri non-profit, tax-exempt organizations for quality arts programming in arts education, arts services, community arts, dance, theater, music, festivals, and literature, folk, and visual arts. Applicants must demonstrate high artistic quality, strong management skills and community involvement. MAC- supported activities must be open and accessible to the general public. Funds are distributed through a competitive process with developed guidelines, evaluation criteria and citizen advisory panel review. Over 80% of MAC's budget is distributed throughout the state in the form of grants.

2. CORE DESCRIPTION

Under DED's reorganization this funding was transferred to the Office of Lieutenant Governor's budget. The Missouri Arts Council (MAC) assumed responsibility for granting state funds to public radio and television beginning in FY2007. As a state program for public broadcasting services, the funds will be used for local programming related to the needs and problems of the community served by the broadcast licensee. The 4 public television stations reach 4.7 million people annually. The 12 public radio stations reach 2.5 million people annually. MAC will use a memorandum of understanding to ensure the accountability of public funding to the broadcasting stations. MAC distributes 75% of the funds to the 4 television stations and 25% to the 12 radio stations according to the formula in RSMo 143.183. The stations are required to report annually detailing how the state funds were used.

3. PROGRAM LISTING (list programs included in this core funding)

Missouri Public Television Stations include: KCPT-Kansas City, KETC-St. Louis, KMOS-Sedalia/Warrensburg, and KOZK-Springfield. Missouri Public Radio Stations include: KBIA-Columbia, KTBG-Warrensburg, KCUR-Kansas City, KDHX-St. Louis, KJLU-Jefferson City, KKFI-Kansas City, KRCU-Cape Girardeau, KSMU-Springfield, KMST-Rolla, KWMU- St. Louis, KXCV and KRNW-Maryville.

26 ORE DES RPTOI

Under DED's reorganization this Core funding was transferred to the Office of Lieutenant Governor's budget. This core decision item establishes the spending authority for the Missouri Humanities Council (MHC). The authority allows the MHC to bolster local economic development in rural and urban communities through heritage tourism initiatives, to conduct workshops benefitting Missouri veterans and their families, and to enhance local communities by funding humanities-based programs, projects, and events through an extensive community grants program. The MHC encourages and supports humanities-related public outreach programming, including teacher education academies and workshops, lecture series, forums, and publications, festivals and living history venues, reading programs for disadvantaged families, and commemorative exhibits highlighting the rich heritage of Missouri. To accomplish these activities, the MHC regularly partners with numerous statewide, regional, and local civic and community organizations, educational institutions, and governmental agencies.

2 I ORE DESI RNPTMOA

Under DED's reorganization this funding was transferred to the Office of Lieutenant Governor. This core decision item establishes the spending authority for the Missouri Arts Council (MAC). MAC funds quality arts programming that addresses MAC's strategic goals of engaging people in meaningful arts experiences, growing Missouri's economy with the arts, and strengthening Missouri's education using the arts. RSMo 143.183 states that 60% of the estimated collection of the Non-resident Professional Athletes' and Entertainers' (A&E) Income Tax is to be transferred to the MAC Trust Fund. In FY19 the tax generated over \$35 million. MAC Trust Fund has never received the full 60% portion the legislation provides, which would be approximately \$21 million annually. MAC provides matching grants to Missouri nonprofit, tax-exempt organizations doubling the impact of state funds. MAC provides accountability and oversight for the distribution of federal and state funds in support of the arts statewide to over 600 Missouri organizations in 162 communities. Every Missouri Senate district and 97% of the House districts receive programs funded from the MAC Trust Fund and Federal monies. MAC provides matching grants to Missouri non-profit, tax-exempt organizations for quality arts programming in arts education, arts services, community arts, dance, theater, music, festivals, and literature, folk, and visual arts. Applicants must demonstrate high artistic quality, strong management skills and community involvement. MAC- supported activities must be open and accessible to the general public. Funds are distributed through a competitive process with developed guidelines, evaluation criteria and citizen advisory panel review. Over 80% of MAC's budget is distributed throughout the state in the form of grants.

Under DED's reorganization this Core funding was transferred to the Office of Lieutenant Governor's budget. This core decision item establishes the spending authority for the Missouri Humanities Council (MHC). The authority allows the MHC to bolster local economic development in rural and urban communities through heritage tourism initiatives, to conduct workshops benefitting Missouri veterans and their families, and to enhance local communities by funding humanities-based programs, projects, and events through an extensive community grants program. The MHC encourages and supports humanities-related public outreach programming, including teacher education academies and workshops, lecture series, forums, and publications, festivals and living history venues, reading programs for disadvantaged families, and commemorative exhibits highlighting the rich heritage of Missouri. To accomplish these activities, the MHC regularly partners with numerous statewide, regional, and local civic and community organizations, educational institutions, and governmental agencies.

MAC will use a memorandum of understanding to ensure the accountability of public funds distribution. MAC distributes 75% of the funds to 4 television stations and 25% to 12 radio stations according to the formula. The state funds received are to be used for local programming related to the needs and problems of the community served by the broadcast licensee.
